He has been used as a lesson horse in all of the above disciplines, as well as a demo horse for his trainer at her teaching clinics. Experienced show horse with a “look at me attitude” with many show ring ribbons in multiple divisions including In-hand, saddle and carriage. Experienced drill team horse in all positions and extensive experience as a parade horse. He is excellent on trails. Trick trained – bow, kneel, plieh. Ridden and driven by both professionals and amateurs in public venues.

He would love to go to someone who enjoys showing or doing public events as he adores being the center of attention.

\$27,500.00

RIKKIE

Ludse (Naen) x Reino (Falke)

1997 3rd premie 16.2H mare. Rides – dressage, huntseat and tandem riding. Drives – single & pair and longlines: She has been used as a lesson horse in all of the above disciplines.

She is excellent on the trails. She has experience as a drill team horse and show horse; however, she does not enjoy the competitive environment. She is superb in environments such as driving at Acadia National Park and other farm/barn clinic situations. She is used as a demo horse at various locations teaching clinics with her trainer and is marvelous.

Ridden and driven by both professionals and amateurs.

Proven broodmare who is a fabulous mother with a 1.95 coefficient.

Rikkie would make an excellent pleasure horse for someone who likes to trail ride/drive; participate in clinics and other individual activities with her.

She loves attention and has a TREMENDOUS work ethic.
