

Well, we did it again... 🏆 and there are so many people to thank... the NEFHC CLASSIC was another huge success. Who would've thought with all those above 100 degree temperatures that our classes would be so nice.

We got a nice note from the judge where she commented on the high quality Friesians and the wonderful staff and

volunteers. 

~There are soooooo many thank yous to give... and I will do my best. I know I will miss someone, but to everyone who had any of the behind-the-scenes work of the show, thank you!

~Thank you Pam M- ok, show committee chair has sooooo many responsibilities (show booklet, all show volunteer positions, ordering all of the awards and ribbons, class list, etc). To noone's surprise, job well done!

~Thank you Christine M- vendor coordinator and award presentations guru- the vendor space was full and the awards were done with beauty and grace.

~Thank you Barbara C- ad/sponsor chairperson- nice job helping secure so many sponsors and advertisements... and thank you to all who helped with this also!

~Thank you to Lynne B- all of the help PLUS that incredible table/chair set- I am still mad I did not win it.

~Thank you Nikki B for all of your help throughout the weekend... run run run.

~Thank you to Becca E- for designing and setting up our trail course. Funny, artistic story!

~Thank you to all of our sponsors and advertisers!

I will not be able to mention them all, but at the top of the list:

~The Ierardi Family- Friesians of Tranquility- Platinum sponsor PLUS many classes sponsored also... Saturday evening session and all those delicious cookies!

~Lynne Byers- Platinum Sponsor via the table set donation as it brought in \$ over the platinum level... and the usage of her dressage ring... and center ring set up of flowers and the entire presentation area- wasn't it gorgeous!

~Seagail Friesians- Gold Sponsorship... from out of state!

~Friesian Events Association- Friday Night session sponsorship and all those cupcakes for all to enjoy... and the remnants of the blue tongues and mouths afterwards!

lol.

~Four Season Farm- thank you for the coffee & donuts each morning... great way to start the day!

~Stony Pine Stables- what a great Ice Cream Social you put on... moosetracks, mint choc chip and vanilla ice creams with all the toppings... wow!

~Thank you Delia Fox & the Hillside gang for a great pizza party- all that high quality pizza hut pizza and cold drinks made moving in night a little easier for everyone.

~Thank you Belmed for sponsoring our dressage show! Your signature sponsorship helped make dressage the success it was!

~Thank you to Michelle Loulakis, the NEFHC President, and the entire board for all of their support and help during the show.

~Thank you to the entire show committee for all of the small efforts that make everything so huge during an event like this.

~And finally, from me to my staff, thank you. Hot temperatures and long hours... Irene, Cyndee, Andy, Mike, Donna and Mary Field... I never stopped asking... and you never stopped giving.

Again, thanks to every class sponsor, exhibitor and spectator that I could not possibly mention. The 2011 NEFHC Classic is in the rear view mirror... but it still glowing bright gold in everyone's memory.

Regards and hope the rest of your show season is half as much fun for you as the past weekend... cause I know you will enjoy it.

Ricky Drew
